Kitchen Sinks.

Note:

Widest range of best in class
Kitchen Sinks.
Since 1997, Futura Kitchen Sinks India Pvt. Ltd. has focused in carving the perfect sink to add splendor and grace to the kitchen interior.

The company has today evolved as one of the leading and reputed manufacturer of kitchen sinks and accessories establishing in the process a brand identity.

Our products are manufactured at a state of the art facility in Bangalore, where attention is given to every detail from workmanship, aesthetics, utility and durability.

Behind our success lies the backing and strength of our highly qualified and extremely competent team who have rich experience in their respective fields, be it marketing or manufacturing. Our R & D team constantly strives to introduce the most innovative and latest designs that suit Indian conditions and yet carry an international appeal.

Futura is the only Indian Brand with value addition in its products - we provide total solutions with our sinks - faucet, chopping board, basket, waste coupling, drainer kit etc. To add maximum variety and aesthetic appeal to our products, we have introduced a variety of finishes in our products - Gloss, Satin & Decor finish.

We also manufacture plumbing accessories in stainless steel and brass. All our products carry the same stamp of high quality and workmanship.

Our vision is to reach our every customer with the best product, apart from our best service-after-sales and with competitive prices. We look forward to join hands with you to cater all your needs of kitchen sinks and plumbing accessories either individual or in bulk.
